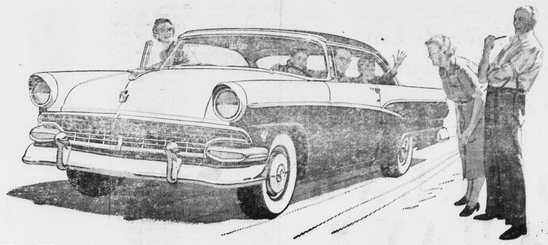
WATERMELON FEAST

Take her home to meet the folks!



They'll be right proud of your good taste and judgment when they see your new **FORD**

You're swinging up the same old drive, but how different you feel this time . . . eager to tell them about the magic in this new Ford.

And there's a lot to tell as they o-o-h and a-a-h over those Thunderbird lines. You tell yourself, with pleasure, "There's a look that will stay good looking for years!"

First they ask which of Ford's engines you picked. Was it V-8 or Six? How many "horses"? You say, "I got the 225-h.p. Thunderbird Special V-8." Somebody says, "Ford took top honors at Daytona!"

"And a Ford broke the 500-mile stock car record at Indianapolis Speedway, too!" you add.

Then somebody jokingly says, "Well, Joe, we poor folks just can't keep up with you millionaires!"

"I'll agree that I'm *living* like a millionaire in this Ford," you tell him, "but I sure took the keys for a mighty low price. Never knew a better time to buy a Ford!"

You won't either!

NOW! A Ford with Air Conditioning *costs less than many medium-priced cars without it!*

Try one today! *Based on a comparison of suggested list prices.*
